How V-MCC can support youth wellbeing on Vashon

REFER

Help connect families and young people to Journeymen + One Village
(camps, mentor circles, and ways to get involved)

CONNECT

Introduce us to the right people and partners
(schools, health/prevention, youth orgs, funders)

ENDORSE

Provide letters of support and public validation for partnerships + grants
(simple, tangible, helpful)

A large group of diverse young people, including students and staff, are posing for a group photo in front of a building. A sign above the entrance reads "NEW VILLAGE". The group is arranged in several rows, with some people sitting on the ground and others standing behind them. They are all smiling and some are making hand gestures. The background shows a building with a wooden roof and some greenery.

Vashon can be a model community for youth wellbeing
A village where every young person is loved and supported.
— and we'd love V-MCC at the table.
