

V-MCC Advisory Committee: Implications / VMCC action on PSE 'tree wire project'

2nd meeting

Agenda – Monday March 4th, 2024

- Confirm Chair Jenny Bell and Secretary Art Chippendale. Chair: Appoint Terry Sullivan as 3rd member
- Prior to being confirmed as Chair of this advisory committee, Bell has reached out as private citizen to KC Rep Teresa Mosqueda. Advising VMCC Board that when Chair appointed, intends ongoing communication with Mosqueda office and seeking VMCC support for doing so as official Chair/Advisory Committee. Key issues: threat to the Island's trees /street frontages/ property rights/ land values/building rights/County taxes and the egregious impact of PSE's business practices.
- Discuss proposed motion to be presented at Mar 7 VMCC Board meeting:
 - The Vashon-Maury Community Council (V-MCC) calls on KC DLS to present a briefing summarizing the beneficial and harmful outcomes of compliance with the King County clear zone program to the Vashon-Maury Community Council. The V-MCC asks that King County not implement any elements of the PSE plan to “bring all non-compliant old poles into compliance” with the King County clear zone program until this issue has been presented to and discussed at a V-MCC meeting.
