Glossary of Terms

Dispatched Calls for Service: Calls that result in one more police cars being dispatched due to 911 calls for service. This category does not include on-views or scheduled activity that a deputy, detective, or sergeant may take on.

Average Response Time: Time between the initial entry of the 911 call in King County's CAD system and when the deputy has arrived on scene. This include the time when the caller is on the phone with the dispatcher and before a deputy has been dispatched to the caller's location.

Crimes Against Persons: Criminal acts that involve victims who are always individuals.

Crimes Against Property: Criminal acts where the objective is to obtain money, property or some other benefit.

Crimes Against Society: Crimes that represent society's prohibition against engaging in certain types of activity; they are typically victimless crimes in which property is not the object of the offense.

National Incident-Based Reporting System (NIBRS): A system implemented by the FBI to improve the quality and detail of crime data collected from law enforcement agencies across the United States. Offenses are grouped into specific categories for reporting.
